ALPHA H is a ground breaking cosmeceutical range that are world leaders in clinical peels and skin rejuvenation. It offers life changing skin care solutions, bridging the gap between cosmetic counters and invasive procedures. We are so happy to have this results driven active range in our salon, and cant wait for you to enjoy the benefits....

Enzyme Peel Facial

£39

A Fast acting brightening facial for all skin types. An infusion of Lifting and smoothing peptides rejuvenate and freshen a dehydrated and dull skin. Available in 2 options depending on your skin type and condition.

Signature Liquid Gold Facial

£55

This ground breaking resurfacing facial delivers superb results in fighting fine lines and fatigue. The complexion is renewed with the renowned 'liquid gold' formula, along with a cocktail of fruit acids and essential vitamins to breath vital life back into a tired aged and dehydrated skin.

ADVANCED FACIALS

Micro Needling & Derma-rolling

A process of increasing collagen production to stimulate renewal. Hyaluronic acid and LED light mask therapy promote an instant youthful result by resurfacing.

Derma-rolling £55

Micro-needling £60

Hopi Ear Candling

A holistic approach to the head derived from the ancient hopi Indian tribe. Provides pressure relief and clarity for the head, mind and sinuses. Excellent for hay fever and headaches.
